Eric is a licensed architect who is passionate about creating unique spaces with extensive project and design knowledge for contextually complex sites. A strong listener and synthesizer, Eric is a believer that architecture should bring people and their ideas together. At home, he enjoys creating art with his two sons and trying to get his 3D printer to work.

EDUCATION

Bachelor of Architecture
Cornell University, 2011

PROFESSIONAL LICENSES

Registered Architect State of Massachusetts
License # 51092, Massachusetts 2016
NCARB Member 88847
